

2017/18 Sports Premium allocation £19,080
Payment over 2 financial years October 2017 and April 2018

Purpose of the sports premium

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport and to encourage the development of healthy, active lifestyles.

An analysis of PE activities across classes and Key Stages shows that there is great enthusiasm for physical activity and a willingness to be involved that increases as pupils move through the school.

At SS Osmund and Andrew's we have allocated our funding in the following ways:

Sports premium expected expenditure £19,000			
Activity	Cost allocation	Target group/focus	Outcome/Impact
Use of sports coaching to give the children opportunities to try new sports	£2,900	KS1 football especially girls. Wrestling for girls. Taster sessions for archery, fencing and karate.	Raising the awareness of local sports clubs and opportunities. Improved fitness levels of children. Increased number of children taking part in after school clubs.
Develop organised physical activity at lunchtimes	£500	KS1 and KS2 children	KS2 children to receive training as sports leaders and then use the skills on the KS1 playground.
Employ sports coaches	£10,600	Premier sport to be used to provide additional support in delivering quality PE within the curriculum and also to provide after school clubs all year in a variety of activities.	Increased number of children attending sports and fitness clubs. Provide clubs for all year groups.
Transport to competitions	£1,500	Key sports teams to be able to attend and compete in local competitions. Subsidy for the running of the school mini bus	Extensive competition calendar. Participation and achievement in competitive sport improved.
Equipment	£1,500	Update and renew EYFS and KS1 PE equipment. Provide playground equipment for lunchtime clubs and sports leaders.	Variety of provision during lessons and after school activities. Well organised lunchtimes that also teach games and keep children active and fit.

Support for healthy lifestyles. 6 week provision for KS2 children on nutrition and healthy eating linked to healthy lifestyles and fitness	£900	Upper key stage 2	Children have a raised awareness of good nutrition and its benefits
CPD and a new scheme for work for delivering the PE curriculum	£1,100	Teaching staff and support staff. PE leadership training.	Confidence in the delivery of PE and the quality of T&L improved.

Impact of sports premium funding will be evaluated termly and documented within the PE managers file. Final report to accompany this spending plan in September 2018
